

Campions Group leverages
microlearning to meet the
diverse training needs of their
businesses.

Backed by science, microlearning is the modern way to train. It's optimised for mobile use, designed to flex around busy schedules, and proven to aid knowledge retention.

”

*We needed a way to manage
the constant flow of
compliance, onboarding and
learning content. We found
that with **QuikAuthor.***

“

QuikAuthor's **human-first** approach combines cutting edge technology and colour-by-numbers templates to accelerate and democratise the course creation process.

”

*No barriers and rapid
production means L&D works
at pace, and subject matter
experts, even those with no
creative experience, can
contribute to course building.*

“
